

Personal Information							
First Name	Sang-Kyung	Last Name	Kim				
Organization	Korea Institute of Energy Research						
Position	Principal Researcher	Nationality	S. Korea				
Field of Expertise	Electrolyzer / Fuel Cell						
Title of Presentation	Highly Active and Durable Iridium Electrocatalyst for Polymer Electrolyte Membrane Water Electrolyzer						
							
				Education			
				1992 – 1996	B.S. Chemical Engineering	KAIST	
				1996 – 1998	M.S. Chemical Engineering	KAIST	
1998 – 2004	Ph.D. Chemical Engineering	KAIST					
Professional Experience							
2004 – Present	Senior/Principal Researcher, Korea Institute of Energy Research						
2013 – 2014	Visiting Scholar, University of Maryland
